

2010 DRIE Central Fall Lunch Session Wednesday, September 15, 2010

Speaker

Alex Forrest, President of the United Fire Fighters of Winnipeg – Local 867.

Topic

On Sunday, February 4th, 2007, the City of Winnipeg Fire and Paramedic Service lost two veteran Captains - Harold Lessard and Tom Nicholls - in a tragic house fire. Three others were severely injured when the fire rapidly spread through the house. The loss of these two husbands, fathers and members of our community cannot be measured.

Mr. Forrest has been centrally involved in the immediate and long-term support to the UFFW members who have struggled with the trauma of losing two of their members. Mr. Forrest will discuss the recovery steps and supports that have been put in place to support Winnipeg's fire fighters.
